

# TOP 5 REASONS

## Companies Are Converting / Upgrading To Newport's Bottleless Methodology

### 1 \$ Budget

- Enjoy one fixed rate irrespective of hot days, number of meetings or people.
- All-inclusive - No surprise charges for service, break-downs etc.
- Know at the beginning of the year exactly how much water will cost for the year and going forward

### 2 ♻ Environment

- Eliminate plastic - Our oceans and landfills are filled with plastic
- It takes 4 times as much water to produce a plastic bottle as it does to fill it!
- Eliminate emissions from thousands of bottled water deliveries everyday
- Consider the cost and additional transport required to for recycling efforts

### 3 💡 Innovation which promotes hygiene/safety

- New contact-less features to protect against spread of Covid
- The best in hygiene through advanced technology

### 4 ✨ Aesthetics

- Sleek, world-class design that enhances any environment

### 5 ✓ Convenience

- No more lifting, storing or ordering heavy water bottles
- No more late deliveries or running out of water
- No more waiting for the kettle to boil
